## DEEP SEA ADVENTURE

MSRP: £20.00  
 CODE: OK-DSA  
 CASE: 12 UNITS

**Swim deeper for better treasure – just don't drown.**

The hugely popular push your luck game. Roll the dice and dive deeper, choosing if you should pick up the treasure. In a competitive game with a shared oxygen supply, just make it back to the sub before your treasure weighs you down.

## SCOUT GB

MSRP: £20.00  
 CODE: OK-SS2  
 CASE: 12 UNITS

**Poach opponent artists and outperform their circus shows.**

A delightful card-shedding game, where each card has a different number on its top and bottom. Players cannot rearrange their hand once dealt, only choosing its orientation. Play sets and runs, 'scout' for new cards in a bid to empty your hand first.

## INSIDER

MSRP: £20.00  
 CODE: OK-INS  
 CASE: 12 UNITS

**20 questions with a hidden traitor.**

Players are secretly assigned roles: one Master, one Insider and Commons. The Master is secretly given a word from the deck. The Insider then secretly looks at this word as well. All players have 5 minutes to ask 'yes or no' questions to guess the Master's word correctly. The Insider must guide everyone to the correct answer without being caught to win.

**Add new roles with Insider Black – and combine to play with up to 11 players.**

## STARTUPS

MSRP: £20.00  
 CODE: OK-STAR  
 CASE: 12 UNITS

**Six startups could change the world – will you be part of their success?**

Invest in companies but beware, you'll only make money if you have complete control in this clever filler. Spend money wisely during each rounds bidding before players pay out for unlucky investments and reap the rewards of majority shares.

## WHALE TO LOOK

MSRP: £20.00  
 CODE: **OK-WTL**  
 CASE: 12 UNITS

**Bluff, bet and send tourists out to sea.**

The bay is full as rival companies send whale-watching tourists out to sea. Bruno Faidutti's beautiful design meets Oink's beautiful production in a game of betting and bluffing.

## DRO POLTER

MSRP: £20.00  
 CODE: **OK-DRO**  
 CASE: 12 UNITS

**Eerie noises wake you up in the middle of the night.**

OoOoo...Thud. Boom. One by one, ghostly figures begin to appear from beneath your bed. You hurriedly grab all of the lucky charms that you have been collecting just for this kind of situation. Using one hand, will you be able to drop only the necessary lucky charms on command, with no mistakes? It's time to push your palms to the limit.

## NINE TILES EXTREME

MSRP: £20.00  
 CODE: **OK-NTE**  
 CASE: 12 UNITS

**Nine Tiles just got even tougher.**

With over 200,000 copies sold, Nine Tiles is back with another hit for the range – now more even more chaotic than before. With multi-purpose patterns, that can be matched by either colour or shape race to fill your 3x3 grid in a speed-puzzle game that'll burn your brains even more.

## TOWN 77

MSRP: £20.00  
 CODE: **OK-T77**  
 CASE: 12 UNITS

**Selfish citizens don't want to share in Town 77?**

Players build Town 77 together, ensuring no house on any street shares the same style to please its selfish residents. A sudoku-style puzzle driven by clever hand management, as you aim to empty your hand first – but if ever you can't play, you are eliminated from the round.

## AFTER US

MSRP: £45  
 CODE: AFTUS-EIF  
 CASE: 6 UNITS

**2083. Humankind is extinct. Now, the apes rule the Earth.**

Guide your tribe towards collective intelligence in a deck-building game with an intuitive combo system. Simultaneous gameplay means this engine-efficiency eurogame can accommodate up to 6 players within a 45 minute game time production in a game of betting and bluffing.

## MIND UP

MSRP: £15  
 CODE: MIND  
 CASE: 6 UNITS

**Choose the right card – get the right colour.**

A fantastic filler where players simultaneously reveal one card from their hand. From lowest to highest, these are exchanged and replaced.

## FARAWAY

MSRP: £20.00  
 CODE: FARA  
 CASE: 6 UNITS

**Explore a mysterious land, fulfilling quests as you return home.**

Welcome to Alula a mysterious continent, shaped by the rhythm of the seasons. Every card you draft represents a new region, over the course of the game you will play 8 cards from left to right. These cards are used to fulfil and create new objectives that you score from right to left on your journey home.

## COURTISANS

MSRP: £00.00  
 CODE: XXXX  
 CASE: 6 UNITS

**When the Queen holds her banquet, skulduggery is on the menu.**

Receive and play 3 cards on your turn. One at the Queen's table, to sway a family's influence. Another played to an opponent's domain and the last to your own domain. Depending on influence and status, families will score positively or negatively at the end of the game. Choose wisely in a game where no trick is too dirty at the Queen's table.

## VAMPIRE VILLAGE

MSRP: **£22.00**  
 CODE: **STVAM**  
 CASE: **6 UNITS**

**Fortify your village against monsters – and direct them to your neighbours.**

When night falls, ferocious monsters storm the villages in this hostile region.

Build your defences, call upon heroes – and direct the most dangerous creatures to your neighbours in a game of drafting and being attacked by activists.

How far are you willing to go to take over the city?

## MIDDLE AGES

MSRP: **£30.00**  
 CODE: **STUMID**  
 CASE: **6 UNITS**

**Tile-by-tile become the wealthiest noble as you develop your fiefdom.**

From designer Marc Andre (Splendor), each turn players select a plot. Every element you add to your medieval city has its own scoring system and ways to trigger interactive effects. After just 16 rounds the player who has amassed the most money wins.

## NUTTY BUSINESS

MSRP: **£17.00**  
 CODE: **STUNUT**  
 CASE: **6 UNITS**

**Central Park, 1925: smuggle illegal cargo as squirrel gangsters.**

Dodge police raids and sneak past customs as you smuggle nuts into Central Park. With symmetrical hands, players add one card to either of two piles before activating both effects. After only 8 turns the player with the most nuts wins.

## SUSPECTS

**Crack the case with your friends.**

Suspects is a series of investigative games with minimal rules and all are character-driven, in the style of the novels of Agatha Christie. Choose from three different chapters, each with three murder mysteries to solve. Follow eternal detective Claire Harper or investigative reporters Adele & Neville on their adventures.

### CLAIRE HARPER TAKES THE STAGE

MSRP: **£25.00**  
CODE: **STU027SU**  
CASE: **6 UNITS**

### ETERNAL DETECTIVE CLAIRE HARPER

MSRP: **£27.00**  
CODE: **STU027SU2**  
CASE: **6 UNITS**

### ADELE & NEVILLE, INVESTIGATIVE REPORTERS

MSRP: **£29.00**  
CODE: **STUSU3**  
CASE: **6 UNITS**

## VIRTUAL REVOLUTION

MSRP: **£50.00**  
CODE: **STUVIR**  
CASE: **6 UNITS**

**Take over dystopian neo-Paris.**

2047. Most of humanity escapes reality through Verses, virtual universes, developed by powerful mega corporations. These businesses are willing to do anything and everything to gain market share. You work for one of them and your mission is to become the ruler of Neo-Paris.

With three actions per turn, decide whether to recruit agents, generate income, build servers, start new Verses, or improve your reputation. Because your actions are not always legal, you risk attracting Interpol's attention or being attacked by activists. How far are you willing to go to take over the city?

## VAALBARA

MSRP: **£19.00**  
CODE: **STUVAA**  
CASE: **6 UNITS**

**Lead your clan across the lands of Vaalbara.**

All players have the same deck of 12 cards representing the members of their tribe. Each turn, players secretly choose one card. In the order of initiative of the revealed Characters, players will be able to activate their powers and take one of the available Territories.

Each type of Territory has its own way of scoring points (collection, pair, diversity, risk...). Deciding between playing the best powers and high initiatives at the most opportune moment will be difficult. After 9 rounds, the player with the most points wins the game and unites the tribes of the continent under their banner.

## VIVARIUM

MSRP: **£24.00**  
CODE: **STUVIVA**  
CASE: **6 UNITS**

**Collect strange creatures with dominoes.**

Each turn, exchange one of your dominoes with the one in the middle to create coordinates that determine which card you take from the board. Using the numbers available to you, decide to collect a new type or colour of creature, gain useful equipment, or take on a new contract for more points.

## AKROPOLIS

MSRP: **£25.00**  
CODE: **GAKR-EN**  
CASE: **6 UNITS**

### Build a cohesive city.

The most talented architects in ancient Greece stand ready to achieve this goal. Build an Akropolis full of housing, temples, markets, gardens and barracks, so you can grow your city and ensure it triumphs over the others. Raise its prestige with harmonious planning that conforms to specific rules, and enhance it by building plazas.

## HELLAPAGOS BIG BOX

MSRP: **£27.00**  
CODE: **GFXLH-EN**  
CASE: **6 UNITS**

### Cooperative until the food runs out.

After becoming shipwrecked, your group of castaways finds themselves on a desert island. At first, the surroundings seem like paradise, but life soon proves difficult. Water and food are scarce. It's doubtful whether everyone can survive this diet.

There is only one solution: Construct a large raft together. But don't waste any time, because the clouds on the horizon suggest the arrival of a dangerous hurricane.

## CRITICAL: FOUNDATION (SEASON 1)

MSRP: **£30.00**  
CODE: **GCRFO-EN**  
CASE: **6 UNITS**

### Foil the plans of cyberpunk corporations.

It's 2035, and the world has changed a little. Huge multinationals have taken over, and nanotechnologies are part of everyday life. Investigate sensitive cases and undertake delicate operations as a secret agent.

Critical: Foundation (Season 1) is constructed like a television series, with each of the nine episodes taking 30 minutes to play. You can take on the role of Gamemaster or play as one of the characters to put yourself in the story. The game provides an RPG-style experience with board game scaffolding via character cards and dice-based combat.

## CRITICAL: SANCTUARY (SEASON 1)

MSRP: **£30.00**  
CODE: **GCRSA-EN**  
CASE: **6 UNITS**

### Reveal the mysteries of this fantasy land.

Beyond the Neveen sea, something strange is unfolding on the Crescent archipelago, the cradle of the gods. Tombs that have long lain dormant have awakened, and ancient tales of monsters now abound. The Explorers' Guild is seeking to unveil these mysterious new occurrences, and has sent its most talented members.

## QAWALE

MSRP: **£35.00**  
 CODE: **GCQW-EN**  
 CASE: **6 UNITS**

### Mancala with a twist.

Simultaneously simple and tactical, Qawale is inspired piles of stones found along paths. Just as nature bends everything to its whims, prepare to be transported by the twists and turns of the abstract strategy in this incredible game.

Each player takes 8 stones in their colour. The third colour is neutral and is placed in the 4 corners of the board. On your turn, add a stone on top of any pile and move it. When moving a pile, you must leave a stone on each space you cross. The first player to get 4 of their stones in a row, looking at the board from above, wins the game.

## TASK TEAM

MSRP: **£25.00**  
 CODE: **GTRO-EN**  
 CASE: **6 UNITS**

### Do you have what it takes to win this crazy task off?

Team up and task off. Each round two teams go head-to-head whilst the third referees. Race to complete whacky challenges using the game's unusual components to win points for your team in a game that's 100% fun and laughs.

## CLASSIC TABLE DISPLAY

CODE: **2PRTCLA** CASE: **20 UNITS**

We offer a customer-engaging demo unit to display and stock our abstract game line. This unit creates an in-store experience for customers by allowing them to interact with our games before they commit to purchasing. Each unit offers space for a demo copy of a game as well as space to stock games and space to display game rules, which allows you to engage with it as much, or as little, as you want. With a small footprint and built in shelf space, this demo unit makes a big impact without compromising valuable store space.

## KATAMINO TOWER

MSRP: £37.00  
CODE: GZKT  
CASE: 6 UNITS

**This tricky puzzler is now available in 3D.**

A logic puzzle with high-end wooden shapes that must be arranged to construct a cylindrical tower. With over 45,000 unique solutions this new version of Katamino can be played co-operatively or as a solitaire puzzle.

## QUORIDOR PAC-MAN

MSRP: £36.00  
CODE: GCPAC  
CASE: 6 UNITS

**Social media and event superstar Quoridor is back.**

With the original game selling over 2 million copies and hitting 1 BILLION views online, Quoridor Pac-Man is coming in 2024.

Still FSC certified, this glorious wooden game now has a vibrant, colourful counterpart with a new game mode for 2-5 players. Choose from the original race across the board or the new game of Pac-Man vs. the Ghosts – as players simply choose to move or place a wall, adding a new obstacle for their opponents in a dynamic maze.

## ZHANGUO: THE FIRST EMPIRE

1-4 60 14+ MSRP: £60.00  
CODE: ZWZHA  
CASE: 6 UNITS

### Earn the Emperor's approval.

In Zhanguo: The First Empire, you go along with the Emperor's plans to offer your family a place in the terracotta army.

To help you in this challenging task, six cards will be at your disposal every round. They will give you permanent support during the rest of the game or will obtain the Emperor's approval for your actions.

At the end of the game, the player who made the greatest contribution to the Emperor's cause by scoring the most points wins.

## IKI

2-4 60 14+ MSRP: £50.00  
CODE: SWIKI  
CASE: 6 UNITS

### Spend a year in feudal Tokyo.

Live a whole year in Edo (modern-day Tokyo) and try to become the best Edokko ("child of Edo"), by ensuring the well-being and prosperity of the city and its inhabitants.

Recruit characters from different trades, put them to work in Nihonbashi, the town's main street, and build up their experience until they retire.

The winner is the Edokko with the most IKI, a philosophical concept from the Edo period considered as an ideal of life.

## IKI: AKEBONO

2-4 60 10+ MSRP: £30.00  
CODE: SWIKIE  
CASE: 6 UNITS

### Discover new characters and buildings.

IKI: Akebono introduces a new location to discover in Edo: the bridge of Nihonbashi, which expands the main street and offers players new opportunities.

The Akebono expansion also adds new character cards, building cards, and new pipe, tobacco, and fish tokens for more strategic depth and decision making.

**GOSU X**

 MSRP: **£33.00**  
 CODE: **SWGOS-EN**  
 CASE: **6 UNITS**

**Head-to-head tactical card battle.**

Gosu X is a combo card game in which players build up their army using the cards from their deck, made of 3 of the 8 clans in the game. The 2 clans unchosen by either player add ongoing rules and effects. At the end of each round, a Great Battle takes place, where the player with the highest military value comes closer to victory.

**IN THE FOOTSTEPS OF MARIE CURIE**

 MSRP: **£00.00**  
 CODE: **XXXXX**  
 CASE: **6 UNITS**

**Enter Marie Curie's laboratory and help the famous scientist win her double Nobel Prize.**

Conduct experiments, improve your workshop and complete Marie Curie's research before the other players.

**IN THE FOOTSTEPS OF DARWIN**

 MSRP: **£35.00**  
 CODE: **SWDAR**  
 CASE: **6 UNITS**

**Discover new animal species around the world.**

Twenty years after his expedition around the world, Charles Darwin is writing On the Origins of Species. He wants to gather new information about animal life, particularly about continents he hardly explored. Who other than young naturalists, eager for discovery, could help the renowned scholar finish writing his most famous work?

During your journey aboard The Beagle, study animals, carry out artographic surveys, publish your findings, and develop theories. Your goal is to score more Victory Points than your opponents to determine who contributed the most to the Origin of Species.

## MILLER ZOO

MSRP: **£30.00**  
 CODE: **RAN-MIL**  
 CASE: **6 UNITS**

**Miller Zoo is THE cooperative family game where you play the team in charge of running one of Canada's most interesting zoos.**

Your job is to work together to take care of your zoo's animals, and to welcome new ones to their new home. As a team, everyone plays together at the same time to overcome challenges and crises. The game also contains 6 envelopes to discover, with new animals, new challenges, and many more surprises that make the game evolve in new and exciting ways.

Goal: Play the real Miller Zoo team and welcome all the new arrivals while also taking care of the animals already under your charge. Watch out though, unexpected situations and crises are sure to throw a monkey wrench into your plans.

## CDSK

MSRP: **£30.00**  
 CODE: **CDSK**  
 CASE: **6 UNITS**

**On a scale of 1 to 10, how well do you know...?**

CDSK is a trivia game that asks you to be honest with yourselves: how well do you know this subject?

Too confident? You won't go anywhere. Too careful? You'll be crawling. But if you answer just right... you'll zoom off to glorious victory.

Draw a card matching the space you're on. Test your knowledge on a scale of 1 to 10. Then move your piece as far forward as the difficulty you set... if you get the answer right.

## OH REALLY?

MSRP: **£30.00**  
 CODE: **CDSK**  
 CASE: **6 UNITS**

**Prove to your friends you know them the best?**

Created by visual artist MC Marquis, players aim to order which five topics their friends prefer. A great ice-breaker, social tool – or just plain fun party game.

## SEASIDE

MSRP: **£25.00**  
 CODE: **SEAS**  
 CASE: **6 UNITS**

**Create your seaside with elements that the waves send your way.**

Create your seaside one token at a time, with a boardless boardgame that you can play anywhere. As you explore the shore, choose a tile and apply its effect to gather as many tokens as you can – the highest stack at the end of the game wins.

## RAUHA

MSRP: £39.00  
CODE: GRRR-RAU  
CASE: 6 UNITS

### Bring your world back to life.

After millennia of sterility, life has sprung again on Rauha. As a venerable Shaman, one of its five worlds has been entrusted to you.

Your powers are divine and allow you to shape the environment in order to turn this world into a cradle of life energy, keeper of serenity and harmony for the centuries to come.

Obtain the most victory points, represented as Life Energy, to win the game. You have 2 Ages to turn your world into an energetic core of Rauha.

In Age 1, vegetation, terrain, and wildlife will appear. In Age 2, civilizations will thrive.

## STOMP THE PLANK

MSRP: £28.00  
CODE: FLY023STP  
CASE: 6 UNITS

### Cheeky pirates push their luck and try not to fall off their planks.

After millennia of sterility, life has sprung again on Steal as much treasure as you dare but if you're caught – you'll walk the plank.

A push-your-luck game with incredible table presence and big "Jenga moments" that make it a firm favourite whether it's a table full of adults or kids.

## SECRET IDENTITY

MSRP: £27.00  
 CODE: FFSI  
 CASE: 6 UNITS

**Guess the identity of your opponents using pictogram clues.**

A party game for all to enjoy. Cards numbered 1-8 show a name for all players to see. Whether it's a celebrity or fictional character, your secret, numbered key shows who you are this round. Use pictograms to give clues so others can guess your identity and bag the most points.

## MYTIKAS

MSRP: £40.00  
 CODE: FUMYT-EN  
 CASE: 6 UNITS

**Where the Gods reign supreme, you are a builder constructing cities and temples.**

The higher you build the more you earn their praise – but the more you must work to gather and transport your resources.
